Dear Sir: For the past several months I have been laboring under great weakness and general debility, much of the time confined to my bed, and from which I received no benefit from my physician. After using some of your blood pills and blood purifier, purchased of your agent, Mr. Wm. H. Plummer, I am a new person, almost entirely free from disease, and would recommend your medicines to all who are in need of so invaluable remedies.

Yours truly, MARY T. HOFFMAN.

And again, under a more recent date, the same writer adds: "I need not repeat to you that your pills continue to give the most perfect satisfaction to all who use them."
